

2023 POLLINATION GUELPH

COMMUNITY GRANT PROGRAM FOR RESEARCHERS

Concerned about pollinators and their habitat in Guelph and Wellington County?

Are you a researcher?

Want to make a difference for pollinators, the environment and the community?

At a time of accelerating climate change, pollinators and their habitat need our help more than ever! Pollination Guelph (PG) is a local, charitable organization dedicated to the conservation of pollinators and their habitat. PG's 2023 Program will provide grants of up to \$3000 to individuals working to improve our knowledge of pollinators and/or pollinator-plant interactions.

Is your research project centered around one (or more) of the following?

- Researching/monitoring pollinators or pollinator decline
- Studying pollinator-friendly plants

To be eligible to apply, interested individuals must:

- Have permission to access/monitor the project site
- Complete the Application Form available on our website (www.pollinationguelph.ca/community-grant-program)
- Complete or substantially complete the project before the end of 2023
- Agree to share your project results and photos with us (a Year End Report form is available on our website)
- Previous grant recipients will only be considered if all required reporting documents have been submitted for previous grant(s)

The project site must:

- Be located within Guelph or the surrounding Wellington County
