

NATIONAL FOREST WEEK 2023

“Canada’s Forests: Supporting Biological Diversity”

Event details: guffguelph.ca/events

DATE	TIME	DESCRIPTION	LOCATION
Sun Sept 17	1-3pm	YORKLANDS TREE FESTIVAL - Enjoy a walk through a naturalized area with ponds, meadows and forest. We will celebrate trees! You will hear local musicians, see local artists creating and your kids can enjoy a treasure hunt.	Yorklands Green Hub, 785 York Rd E
Mon Sept 18	7 PM	“PATTERNS IN THE TREES” : A Permaculture Approach To Woody Plants in Canada & Haiti by Renaud Thomas (Haiti)	Arboretum Centre
Tues Sept 19	7:30pm	FOREST DIVERSITY - Trees and forests are the foundation of biodiversity. Join Chris Earley , The Arboretum's Interpretive Biologist and Education Coordinator, to explore forests and the staggering number of species to be found in them. Nature displays and door prizes! Sponsored by The Arboretum, Nature Guelph and Pollination Guelph.	Arboretum Centre
Wed Sept 20	12:15pm	WEDNESDAY WALK: Tree Day Edition Our weekly Wednesday Walk will focus on trees in honour of Forest Week!	Arboretum Campus Entrance (Gray Kiosk)
Wed Sept 20	12-1pm	TREE WALK WITH WORDS at Yorklands. We hang poems and quotes on our heritage trees along the Blue Dot Trail. Bring your own poems or others ready to hang	Yorklands Green Hub, 785 York Rd E
Thurs Sept 21	5-6:30 PM	NEW TRAILS FOR OLD TREES, Nature Walk , The Ignatius Old-Growth Forest Project- The adults have been missing out on some amazing, fun activities! Come join us in a participatory nature walk designed to get you moving and engaged in ways that may feel a little childish – what’s wrong with that?	Ignatius Old Growth Forest Project, Entrance: 53 Cross Creek Blvd
Fri Sept 22	9:00am	MINI FOREST INSTALLATION Day 1 - Community planting to install first half of Mini-Forest (modeled after/inspired by the Miyawaki method)	York Road Park near Hooper St
Sat Sept 23	9:00am	MINI FOREST INSTALLATION Day 2	York Road Park near Hooper St
Sat Sept 23	2-3pm	DOWNTOWN TREE TOUR - Tree walk in Downtown Guelph "How to Read a Tree's Life Story" with focus on how to plant city trees for optimal health, success and longevity	Meet at City Hall Fountain, 1 Carden St (raindate: Sun Sept 24)
