

Things to Do

People to Meet

Gardeners!

Members of the “Hort” (the Horticultural Societies of Parkdale & Toronto) created Kathy’s garden, a native plant garden, and will answer your native plant questions.

www.parkdaletorontohort.com

Pollinator Partnership

...are people who help pollinators. Anthony Colangelo will show you how to identify pollinators with cool phone apps!

www.pollinator.org/pollinators

World Wildlife Fund

...protects nature through conservation. Meet Pete Ewins and friends and learn about their “In the Zone” program for your garden!
