

2026 POLLINATION GUELPH COMMUNITY GRANT PROGRAM FOR PUBLIC OUTREACH & EDUCATION

Are you an artist, researcher, designer, community scientist, conservation group, or other valued community member who is interested in outreach?

Want to make a difference for pollinators, the environment and the community?

At a time of accelerating climate change, pollinators and their habitat need our help more than ever! Pollination Guelph (PG) is a local, charitable organization dedicated to the conservation of pollinators and their habitat. PG's 2026 Program will provide grants of up to \$2,000 to an individual or community group working to raise awareness/educate the public about native pollinators.

Suggested areas of focus:

- Educational programming and experiential learning programs
- Running bio-blitzes/workshops
- Creating webinars/information sessions/YouTube videos
- Producing posters/art installations/signage

To be eligible to apply, interested individuals must:

- Create a physical or digital resource, or experiential learning event(s) that can be shared with the public to help raise awareness about pollinators
- Complete the Application Form available on our website (www.pollinationguelph.ca/community-grant-program)
- Complete or substantially complete the project before the end of 2026
- Agree to share your project results and photos with us (a Year End Report form is available on our website)
- Previous grant recipients will only be considered if all required reporting documents have been submitted for previous grant(s)

The project site must (if applicable):

- Be located within Guelph or the surrounding Wellington County
- Be accessible to the public (no private gardens)

Application Deadlines

- March 16, 2026 @ midnight
- Successful applicants will be notified by April 30, 2026

Download the Form

- Visit our website (pollinationguelph.ca/community-grant-program)
- Download the form
- Fill it in and email it back

Funding Amounts

- Up to \$2,000 available to fund relevant 2026 public outreach & education projects
